JOIN US TO SUPPORT SCOTT TALBOTT IN HIS **BATTLE AGAINST PANCREATIC CANCER.** Scott is headed to MD Anderson in Houston Texas for treatment & he has a strong faith in our Lord and Savior.

Scott Talbott is the second oldest of five children raised on the family ranch outside of Laramie, Wyoming. In the Spring of 1985, he began his career with Wyoming Game and Fish Department.

Scott worked for them in various capacities. He fed elk, became a game warden, wildlife investigator, regional wildlife supervisor and became the director of the Wyoming Game and Fish in 2011. In 1990 he was awarded Game Warden of the Year. He retired in 2019. As director he served Wyoming with great compassion and dedication to wildlife preservation and management. He is currently employed by Safari Club International.

His two sons Payden and Luke and grandson Quincy are his greatest accomplishment. He is an amazing people person. He loves to help others with shooting guns, hunting and fishing. In 1991 he fought his first battle with cancer and won! He has recently been diagnosed with pancreatic cancer. It was a huge shock to Scott, his family and his many friends. He's ready to face the fight with courage and determination. Scott is headed to MD Anderson in Houston Texas for treatment & he has a strong faith in our Lord and Savior.

"Fate whispers to the warrior YOU CAN NOT WITHSTAND THE STORM the warrior whispers back I AM THE STORM!"
